Vehicle Safety

Policy # 6260, 2.6

POLICY

1996 6260

Students

SUBJECT: VEHICLE SAFETY

Students attending BOCES classes are expected to use the school buses provided to transport them.

In those instances where students have appropriate permission, in accordance with the student handbook, to provide their own transportation, parking permits may be issued through the respective BOCES school office. Students using vehicles on BOCES property shall obey all traffic regulations of the State and of BOCES. Reckless driving and/or speeding shall not be tolerated. Student parking shall be allowed only in authorized places.

The BOCES may revoke parking or transportation privileges for violation of this policy.
