Non-Instructional/Business
Operations

SUBJECT: INSURANCE

The policy of the Board is to provide reasonable insurance protection for property and actions of the District at the most economical cost.

Specifications will be prepared for all coverage and formal quotations will be solicited from vendors by the Assistant Superintendent for Personnel and Finance. Specifications will be reviewed periodically to assure that protection is appropriate and complete.

All insurance coverage will be purchased by the Board after quotations have been received. The Board also may elect to formally bid its insurance coverage.
